

NOTICE TO THE BAR

Fines and Penalties of Common Motor Vehicle Offenses

Published with this notice is a revised schedule of Fines and Penalties of Common Motor Vehicle Offenses (formerly the “Minimum Mandatory Fines and Penalties Schedule”). The schedule includes only selected offenses commonly charged under Title 39 of the New Jersey Statutes, not all chargeable motor vehicle offenses. Please note that court costs and mandatory assessments are not included in the fine amounts. The revisions are current through October 2008.

The schedule is being provided for the convenience of municipal court practitioners. This is the first revision of the schedule since August 2004.

This notice and the appended schedule also will be posted on the Judiciary’s Internet website (www.njcourtsonline.com).

Fines and Penalties of Common Motor Vehicle Offenses

October, 2008

This schedule contains the fines and penalties of some common motor vehicle offenses. It is designed for quick reference and does not contain every sentencing nuance. Therefore, judges should always consult with the applicable statute before imposing any sentence.

The fines listed here DO NOT include court costs, so you may add court costs up to a maximum of \$33.00, \$5.50 of which may not be suspended. See N.J.S.A. 22A:3-4. The listed fines also do not include the assessments found in N.J.S.A. 39:5-41, which, as of the date of this schedule, total \$6.00. Reference should be made to this statute to determine the correct amount of the assessments, at the time of sentencing.

In addition to the fines and penalties listed, a judge may revoke the driver's license of any person for the willful violation of any offense found in subtitle 1 of Title 39, N.J.S.A. 39:1-1 to 39:5G-1. See N.J.S.A. 39:5-31.

If the "VCCA" box is checked next to an offense, then the offense is subject to a mandatory Violent Crimes Compensation Agency assessment of \$50 in accordance with N.J.S.A. 2C:43-3.1. Similarly, if the "Safe Neigh." box is checked, the offense is subject to the mandatory Safe Neighborhood assessment of \$75 in accordance with N.J.S.A. 2C:43-3.2.

If the "65 mph" box is checked next to an offense, then the listed fines shall be doubled when the offense is committed in an area which has been designated as having a speed limit of 65 miles per hour. N.J.S.A. 39:4-98.6. Similarly, if the "Con. Zone/Safe Cor" box is checked, the listed fines shall be doubled when committed in an area of highway construction or repair, or when committed in a designated safe corridor. N.J.S.A. 39:4-203.5.

*If the "Payable" box is checked next to an offense, then the offense is listed in the Statewide Violations Bureau Schedule. **REMEMBER** that the payable amounts listed in the Violations Bureau Schedule DO include court costs and assessments, so court costs and assessments should never be added to the payable amount.*
